

## **The Queen City Chapter of CHMM** *A Professional Organization*

The Queen City Chapter of Certified Hazardous Materials Managers is based in the Charlotte, NC. The Chapter is dedicated to fostering continuing education, peer group interaction, and technology exchange; presenting CHMM Certification Overview courses; and promoting the recognition of the CHMM certification as the premier standard for the profession.

Meetings of the Chapter typically include a facility tour or speaker discussing a topic pertinent to the professional interests of the membership. Speakers include regulators, environmental and safety professionals, and chapter members.

Environmental, health, and safety professionals involved in hazardous material management will find meetings interesting and informative, and a great way to meet other professionals in their industry. **Guests are always welcome at our meetings!**

If you would like to attend a meeting or join the Queen City Chapter, check out our web site ([www.QueenCityCHMM.org](http://www.QueenCityCHMM.org)) for dates and locations. If you would like to join our chapter, please complete the online membership form on our web site or complete the form on the back of this brochure and mail it to the contact listed.

### **Chapter Membership Dues**

Current annual cost for Chapter membership is \$25.00.

## **What is the Academy of Certified Hazardous Materials Managers?**

The ACHMM is the membership organization for individuals who have successfully completed the education, experience, and testing requirements necessary to become a Certified Hazardous Materials Manager (CHMM). The CHMM program is administered by the Institute of Hazardous Materials Management (IHMM).

The Academy of Certified Hazardous Materials Managers (ACHMM) cultivates professional development through peer group interaction, continuing education, and the exchange of ideas and information relating to hazardous materials management. ACHMM comprises more than 65 Chapters with more than 8000 members.

### **The Academy Fosters Expertise in the Fields of:**

**Environmental Health and Safety  
Regulatory Compliance and Policy  
Science and Technology  
Materials Handling  
Emergency Response  
Remediation**

In conjunction with local chapters, the ACHMM presents an annual conference that encourages free and open dissemination of technical information that spans the hazardous materials management profession. Conference highlights include many educational sessions and an elaborate emergency response exercise. The conference provides individual members with the opportunity to discuss issues with ACHMM Board Members to help chart the future of the organization, and allows for the presentation of technical studies and papers.

## **The Value of ACHMM Membership**

The Institute of Hazardous Materials Management (IHMM) created the CHMM credential. The credential represents only the beginning of a career long journey for a hazardous materials nurtures a source of livelihood. ACHMM creates growth and value for the certification program through:

- ✓ **Quality education programs and activities**
- ✓ **Technical information resources**
- ✓ **Developing ethical standards for the profession**
- ✓ **Helping define industry standards**
- ✓ **Interacting with other technical organizations**
- ✓ **Encouraging public and private agencies to include the CHMM credential in their contract requirements**
- ✓ **Career planning and employment networking**
- ✓ **Presentation of an annual technical conference**
- ✓ **Awareness of new developments affecting hazardous materials managers**
- ✓ **Publications and Quarterly Newsletter**
- ✓ **Internet home page with links to chapter home pages, environmental, government, and state agencies**
- ✓ **Networking opportunities**

Membership in ACHMM allows individuals to network and increase their effectiveness and scope as hazardous materials managers. This nationwide capability allows members to expand their horizons of obtaining technical information and assistance; it also offers the opportunity to look for new or better employment.
