

Queen City Academy of Hazardous Materials Managers

Dear Corporate Sponsor:

The Queen City Chapter of the Academy of Certified Hazardous Materials Managers (QCACHMM) is an organization whose purpose is to increase the knowledge and effectiveness of environmental, safety and health professionals and groups who work to protect the nation against threats posed by hazardous materials. It is an affiliate of the National Academy of Certified Hazardous Materials Managers. These organizations are committed to excellence in support of hazardous material management by providing networking opportunities, technical presentations and facility tours.

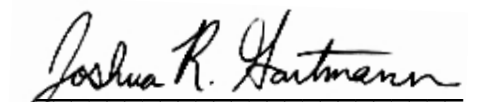

Locally, the chapter is represented by industrial professionals from Charlotte and the surrounding counties, in North and South Carolina. The success of the chapter depends on continued growth by adding both individual and corporate membership. We are requesting your financial support for the 2007 programs and activities.

Your contribution will enable the QCACHMM to continue its support of environmental, safety and health professionals by supporting the Chapter's growth and expansion. Please visit our website to learn more about our chapter. Our website address is <http://www.queencitychmm.org>.

The enclosed form outlines the sponsorship opportunities available. Also attached is a chapter brochure should individuals in your organization want to become members. If you have any questions, feel free to email us at info@queencitychmm.org or contact us directly at 704-684-1811

Sincerely,

Giorgina L. Franklin, President

Josh Hartmann, Vice-President

Enc:

Queen City Academy of Hazardous Materials Managers

Corporate Sponsorship will allow the chapter to develop programs and activities to promote the proper handling of hazardous materials, provide educational and professional development and support the industry as certified hazardous materials managers. Financial support of the Chapter's programs and activities is available at the following levels

Major Corporate Sponsors - \$1000 and up

All Major sponsors that support the chapter at this level will become a corporate member; receive a Certificate of Recognition awarded during a monthly meeting, a link to the organization's web page from the chapter's website, and the company's logo featuring it as a Major sponsor for 2009.

Corporate Sponsor - \$500 - \$999

Corporate Sponsors that support the chapter at this level will become a corporate member; receive a Certificate of Recognition awarded during a monthly meeting, a link to the company's web page from the chapter's website, and the company's name listed as a corporate sponsor for the year.

Sponsor - up to \$499

Any company that supports the chapter at this level will be a corporate member, will receive a Certificate of Recognition awarded during a monthly meeting, and will be listed as a sponsor for the year.
